Please note all food is prepared in the same kitchen, so it may come into contact with other foods that contain gluten. This kitchen also prepares menu items that contain nuts.

## About us:

SweetWater Café originally opened in the Ho-Chunk Centre in 2014 as gourmet coffee and sandwich shop to serve the tenants, their customers and visitors to downtown Sioux City, Iowa.

A second café was opened in 2017 in the Ho-Chunk Village in Winnebago, Nebraska as a casual dining option and meeting place. Now our third location has opened in 2021 in the new master-planned community Flatwater Crossing, located along the Missouri river in South Sioux City, Nebraska

Sweetwater Café is a subsidiary of Ho-Chunk, Inc., the social and economic development corporation of the Winnebago Tribe of Nebraska.
